

Second Grade Daily Plans April 6th - April 10th														
Monday			Tuesday			Wednesday			Thursday			Friday		
Standards	SS.2.G.1.1-1.4		Standards	MAFS.2.MD.3.8		Standards	LAFS.2.RL.1.1 LAFS.2.L.1.1 SS.2.G.1.1-1.4		Standards	MAFS.2.MD.3.8		Standards		
Reading	Click Here For Today's Video Lesson on Visualization		Math	Coin Song		Reading	Complete Seesaw Activity "Visualizing or Making Mental Movies While Reading"		Math	The Money Song		Reading	No School Good Friday	
Writing	Today we will review adjectives and watch the brainpop video on how we use adjectives with commas. Then take the quiz on brainpop.			Today you will need to collect an assortment of pennies, nickels, dimes, and quarters and put them in a pile. You will sort your coins into groups of pennies, nickels, dimes, and quarters using a Money Sorting Mat. The link below will provide you with one that you can print or feel free to draw the mat on a separate sheet of paper.		Brain Pop Adjective Video		Use the link above to watch a video about money. When you are finished, log into Seesaw and complete the activity "Coin Sorting Graph"						
	Brain Pop Jr Adjectives Video			Money Sorting Mat Link		After watching the brainpop video above on adjectives, go into Seesaw and complete the "Wacky Socks Adjectives"		Watch the Brain Pop Jr. Video "Ocean Habitats"						
Social Studies	Studies Weekly Link		Science	Watch the Brain Pop Jr. Video "Desert"		Writing			Science	Watch the Brain Pop Jr. Video "Ocean Habitats"		Social Studies		
	Studies Weekly Link			After watching the Brain Pop Video complete the Habitat Organizer. In this orgaizer you will be able to take notes on the characteristics of the habitat as well as the plants and animlas that live there. This will help you complete the Seesaw activity today and with a project next week. You can download and print the organizer that is attached or make one just like it on a blank sheet of paper.			After watching the Brain Pop Video complete the Habitat Organizer. In this orgaizer you will be able to take notes on the characteristics of the habitat as well as the plants and animlas that live there. This will help you complete the Seesaw activity today and with a project next week. You can download and print the organizer that is attached or make one just like it on a blank sheet of paper.							
Read the Social Studies weekly lesson 21, "Children Around the World," using the link above.		Habitat Organizer		Complete the "Desert Habitat" activity using the Seesaw link below.			Studies Weekly Link			Using Lesson 21, "Children Around the World" text, complete the chart on Seesaw.				Habitat Organizer
